State law requires the County to divert landfill-bound solid waste material through the use of waste prevention, recycling, and reuse. To meet this mandate, Ventura County Ordinance 4445 Section 4770-1.4 allows for an exemption from residential green materials collection service (e.g., grass clippings, leaves, tree trimmings, etc.).

If you do not generate green materials (i.e. yard waste, grass, leaves, etc.) on your property, please explain:

If you compost and/or mulch green materials on your property, please explain:

If a professional landscaping service removes from your property and recycles your green materials, please provide us with their name and the name of the permitted facility they transport green materials to:

Landscaping Service Name: _____ Phone: _____

Greenwaste facility's name and address: _____

My signature on this form authorizes County staff and/or my refuse collection company to verify a Green Materials Recycling Exemption is warranted for the above address by conducting site visits. Placing green materials in my trash and/or recycling container after a warning notice has been issued may result in the revocation of my Green Materials Recycling Exemption. Revocation of this exemption may result in a charge for green materials collection on my next bill.
