The costs of such audits and inspections shall be borne by the COLLECTOR when inaccuracies in COLLECTOR'S books and records result in a material difference in what should have been reported pursuant to Section 3.15 (REPORTING AND FEE PAYMENT REQUIREMENTS). For purposes of this Section, a material difference shall mean a difference of ten percent (10%) or more.

Section 3.17 EMERGENCY COLLECTION SERVICE AND RATES

At the direction of the COUNTY, and upon reasonable notice under the circumstances, COLLECTOR shall provide SOLID WASTE collection services within unincorporated Ventura County during a locally-declared (excluding any state- or federally-declared) emergency. ARTICLE 4. SERVICE RATES

Section 4.1 CUSTOMER RATES

(a) COLLECTOR shall charge and collect from its RESIDENTIAL CUSTOMERS for REGULAR COLLECTION SERVICE and SPECIAL SERVICES amounts not to exceed the CUSTOMER RATES for said services set forth in Exhibit B, including providing all free and discounted services identified in Exhibit B for which the CUSTOMER qualifies. COLLECTOR shall not impose, offer, collect or attempt to collect any rate, fee, charge or cost that is in excess of the CUSTOMER RATES set forth in Exhibit B for the corresponding service. Additional charges for COLLECTION SERVICES that are not specifically listed in Exhibit B must first be submitted by COLLECTOR in writing to the DIRECTOR and approved in writing by the DIRECTOR prior to the COLLECTOR's implementation of such charges.

(b) COLLECTOR shall itemize all of its rates and charges on its customers' bills, thereby allowing the customer to see each individual charge and component of the bill.

(c) Pursuant to Ventura County Ordinance Code Section 4770-1.3 as may be amended, the COLLECTOR shall cooperate with COUNTY efforts to implement pricing incentives that encourage the separation of RECYCLABLES from refuse, and which discourage disposal.

Section 4.2 INITIAL CUSTOMER RATES

Beginning on the EFFECTIVE DATE, the COLLECTOR may charge each RESIDENTIAL CUSTOMER the CUSTOMER RATES set forth in Exhibit B.

Section 4.3 ADJUSTMENTS TO CUSTOMER RATES

Adjustments to CUSTOMER RATES shall be made pursuant to Section 4.4 (ANNUAL INFLATION ADJUSTMENTS) Section 4.5, (REGULATORY FEE ADJUSTMENTS), Section 4.6, (TIPPING FEE ADJUSTMENTS), and Section 4.7, (UNUSUAL AND UNANTICIPATED COSTS). COLLECTOR's implementation of all such adjustments in its customer billings shall only occur once per year, effective on January 1.

Section 4.4 ANNUAL INFLATION ADJUSTMENTS

(a) Provided that the COLLECTOR is in compliance with the terms and conditions contained herein as determined by the DIRECTOR, the below-described annual inflation adjustment will be automatically applied to both the BASE RATE and charges for SPECIAL SERVICES listed in Exhibit B, and will become effective every January 1 beginning in 2015. The annual inflation adjustment shall be calculated by the COUNTY based on eighty-five percent (85%) of the aggregate amount of:

1. Ninety-five percent (95%) of the annual percentage change (up or down) in the Consumer Price Index (CPI) database: All Urban Consumers (Current Series), Los Angeles-Orange-Riverside County, CA, *All Items Less Energy*, not seasonally adjusted; and
2. Five percent (5%) of the annual percentage change (up or down) in the CPI database: Commodity Data, Fuels and Related Products and Power, *Natural Gas*, not seasonally adjusted.

The above calculations will be based on the comparison between:

- a. The twelve (12) month average CPI ending September of the most recent year (regardless if a projection is deemed "preliminary"); and
- b. The twelve (12) month average CPI ending September of the preceding year.

(b) The DIRECTOR shall calculate the annual inflation adjustment based on the foregoing and notify the COLLECTOR on or before the first day of November preceding the annual January 1 inflation adjustment, unless otherwise delayed by CPI publishing. The methodology used for this inflation adjustment is shown in Exhibit C (Rate Adjustment Calculation Worksheet) hereto which is incorporated herein by this reference.

4.4.1 CAP ON ANNUAL PERCENTAGE CHANGE IN CPI

The annual inflation adjustment as applied to the CUSTOMER RATE shall not exceed five percent (5%), up or down, in any given year. Notwithstanding the foregoing, in the event the annual inflation figure computed pursuant to Section 4.4 exceeds ten percent (10%) for three (3) consecutive years, then the allowable annual inflation adjustment applied to the CUSTOMER RATE in the third year will equal one-half of the annual inflation figure for the third year, even if that annual adjustment exceeds five percent (5%). (For example, if the annual inflation figure computed pursuant to Section 4.4 is eleven percent (11%) in year one, thirteen percent (13%) in year two, and twelve percent (12%) in year three, then the annual inflation adjustment for years one and two is five percent (5%), and for year three is six percent (6%).) In the fourth year following three consecutive years with annual inflation figures above ten percent (10%), the above-stated five percent (5%) cap will again apply to the annual inflation adjustment.

Section 4.5 REGULATORY FEE ADJUSTMENTS

Any change in COUNTY REGULATORY FEES shall become effective on January 1 of the year following the Board approval of the change, and shall be applied by COUNTY to COUNTY's CUSTOMER RATE adjustments and all charges for SPECIAL SERVICES listed on Exhibit B. The DIRECTOR shall calculate these CUSTOMER RATE adjustments based on the methodology shown in Exhibit C (Rate Adjustment Calculation Worksheet).

Section 4.6 TIPPING FEE ADJUSTMENTS

County will adjust the CUSTOMER RATES to reflect changes, up or down, in the TIPPING FEE charged by solid waste facilities used by the COLLECTOR, to provide the COLLECTION SERVICES. If changes in TIPPING FEES have occurred, the DIRECTOR will calculate these CUSTOMER RATE adjustments based on the methodology shown in Exhibit C – Rate Adjustment Calculation Worksheet. For any TIPPING FEE changes occurring after January 1,

the difference in the TIPPING FEE will be calculated over the remaining months in that calendar year, using the methodology shown in Exhibit C, and added to the new calculated CUSTOMER RATE the following January 1, to be distributed equally over all twelve (12) months in the ensuing calendar year.

Section 4.7 UNUSUAL AND UNANTICIPATED COSTS

(a) The COLLECTOR may petition the COUNTY for consideration of a review of CUSTOMER RATES if circumstances arise that could not have been predicted or foreseen as of the EFFECTIVE DATE which result in significant, uncompensated cost increases to the COLLECTOR regarding the provision of COLLECTION SERVICES. Such unusual and unanticipated costs may include, but are not limited to: (1) proposed changes in the COLLECTOR's level of service under this Agreement required by the COUNTY; (2) a significant increase in costs or expenses that arise out of causes beyond the control, or without the fault or negligence of, the COLLECTOR; (3) changes in technology that significantly modify the intention and circumstances which have a direct bearing on the costs of services provided by COLLECTOR hereunder; and (4) the enactment of any new, or the increase of any existing, governmental regulatory fees or costs that cannot be addressed by adjusting the CUSTOMER RATES pursuant to Section 4.5 (REGULATORY FEE ADJUSTMENTS).

(b) COLLECTOR shall petition the COUNTY by providing the DIRECTOR with a written explanation and all documentation supporting its request for a CUSTOMER RATE adjustment. The DIRECTOR shall issue a written decision that either approves, denies or approves a modified CUSTOMER RATE adjustment in response to COLLECTOR's request. COLLECTOR may thereafter appeal DIRECTOR's decision to the BOARD by providing DIRECTOR a written appeal notice within ten (10) calendar days after the decision, after which date the decision shall become final and non-appealable. In the event of an appeal to the BOARD, the BOARD may either approve, deny or approve a modified CUSTOMER RATE adjustment. The BOARD's resulting decision shall be final, non-appealable and shall not be subject to arbitration pursuant to Section 7.6 (ARBITRATION).

(c) The COUNTY may also initiate a CUSTOMER RATE review pursuant to the factors set forth in Section 4.7(a). The COUNTY will provide written notice to the COLLECTOR if such a rate review is being initiated. The COLLECTOR shall provide all written explanation and documentation deemed necessary by the COUNTY to complete its rate review within sixty (60) days of the date that the COUNTY provided its written notice to the COLLECTOR. The DIRECTOR shall issue a written decision regarding the potential CUSTOMER RATE adjustment. COLLECTOR may appeal DIRECTOR's decision to the BOARD by providing DIRECTOR a written appeal notice within ten (10) calendar days after the DIRECTOR's decision, after which date the decision shall become final and non-appealable. In the event of an appeal to the BOARD, the BOARD may either approve, deny or approve a modified CUSTOMER RATE adjustment. The BOARD's resulting decision shall be final, non-appealable and shall not be subject to arbitration pursuant to Section 7.6 (ARBITRATION).

(d) The existing CUSTOMER RATES shall remain effective unless and until the COUNTY issues a final, non-appealable decision regarding an adjustment in accordance with this Section 4.7. Any CUSTOMER RATE adjustment approved pursuant to this Section 4.7 may only be implemented by COLLECTOR effective on January 1 of the calendar year following the date of the final, non-appealable COUNTY decision approving the adjustment.

Section 4.8 NOTICE TO CUSTOMERS

Prior to the implementation of any CUSTOMER RATE adjustment approved pursuant to Sections 4.4 (ANNUAL INFLATION ADJUSTMENTS), 4.5 (REGULATORY FEE ADJUSTMENTS), 4.6 (TIPPING FEE ADJUSTMENTS), and 4.7 (UNUSUAL AND UNANTICIPATED COSTS), the COLLECTOR shall provide a minimum of fifteen (15) days written notice to all affected RESIDENTIAL CUSTOMERS. At a minimum this notice, approved by COUNTY as to form and content, must include the following: (1) a list of all new rates and applicable levels of service; (2) the date upon which the new rates will be effective; (3) information about alternative levels of service available, including, but not limited to, the Mini-cart option and Green Materials Exemption; (4) Senior Discount availability; and (5) a customer service telephone number.

Section 4.9 CUSTOMER DISCOUNT PROGRAMS

(a) COLLECTOR shall offer, and its rates as shown in Exhibit B shall reflect, the Green Materials Exemption and Senior Discount. The Green Materials Exemption is described in Ventura County Ordinance Code Section 4770-1.4, as may be amended. The Senior Discount, which RESIDENTIAL CUSTOMERS must renew with the COUNTY annually, is available to RESIDENTIAL CUSTOMERS with a minimum age of 62 and whose gross annual income meets the FCC Lifeline threshold, as may be adjusted.

(b) RESIDENTIAL CUSTOMERS must obtain qualification for the Green Materials Exemption and Senior Discount from the COUNTY. Upon COUNTY's notification to COLLECTOR that a RESIDENTIAL CUSTOMER has qualified, COLLECTOR shall apply the exemption or discount to that customer's billing in the following billing cycle.

ARTICLE 5. COUNTY FEES

Section 5.1 REGULATORY FEES PAID TO COUNTY

(a) COLLECTOR shall pay all REGULATORY FEES, including fees based on each ton of SOLID WASTE collected and delivered for disposal and on REVENUE from COLLECTION SERVICES in the SERVICE AREA, for each year, or portion thereof, in accordance with the payment schedule stated in Section 3.15 (REPORTING AND FEE PAYMENT REQUIREMENTS). The BOARD will set by resolution the amount of each said REGULATORY FEE to be paid to the COUNTY in accordance with the applicable COUNTY ordinances establishing the respective REGULATORY FEES.

(b) REGULATORY FEES remitted by COLLECTOR after the due dates specified in Section 3.15(a) (REPORTING AND FEE PAYMENT REQUIREMENTS) shall incur a late charge on the amount due, as adjusted if necessary, calculated at an annual rate of twelve (12) percent, until paid by COLLECTOR. A United States Postal Service postmark date shall be considered as the date of payment remittance by COLLECTOR to COUNTY.

ARTICLE 6 INDEMNITY, INSURANCE AND ASSURANCES OF PERFORMANCE

Section 6.1 DEFENSE AND INDEMNIFICATION

To the fullest extent allowable by law, COLLECTOR shall defend, indemnify and hold harmless the COUNTY and its board, departments, officers, officials, employees, agents and volunteers

(collectively, "Indemnitee"), from and against any and all third party claims, allegations, suits, actions, legal or administrative proceedings, judgments, debts, demands, damages, including those involving injury or death to any person or persons, and damage to any property including loss of use resulting therefrom, incidental and consequential damages, liabilities, interest, fines, costs, attorneys' fees and expenses of whatsoever kind of nature whether arising before, during or after commencement or completion of this Agreement, whether against COLLECTOR or Indemnitee, which are in any manner, directly, indirectly, in whole or in part, arising from breach of any provision of the Agreement or any act, omission, fault or negligence, whether active or passive, of COLLECTOR, a subcontractor of COLLECTOR or anyone directly or indirectly employed by them or anyone for whose acts they may be liable in connection with or incident to COLLECTOR's performance of the Agreement (including without limitation the failure to collect, handle, or dispose of SOLID WASTE in accordance with applicable law), even though the same may have resulted from the joint, concurring or contributory negligence, or from the passive negligence, of Indemnitee or any other person or persons, unless the same be caused by the sole negligence or willful misconduct of Indemnitee, or except to the extent caused by the active negligence of Indemnitee. In instances where Indemnitee's active negligence accounts for a percentage of the liability involved, the obligation of COLLECTOR as set forth in this Section 6.1 shall be for the entire percentage of liability not attributable to that active negligence.

Section 6.2 INSURANCE

(a) Without limiting COLLECTOR's defense and indemnification obligations pursuant to Section 6.1 (DEFENSE AND INDEMNIFICATION), COLLECTOR, at its sole cost and expense, shall obtain and maintain in full force during the term of this Agreement the following types of insurance:

1. Commercial General Liability "occurrence" coverage in the minimum amount of \$1,000,000 combined single limit (CSL) bodily injury & property damage per occurrence and \$2,000,000 CSL General Aggregate, including personal injury, broad form property damage, products/completed operations, broad form blanket contractual and \$50,000 fire legal liability.
2. Commercial Automobile Liability coverage in the minimum amount of \$1,000,000 CSL each accident bodily injury property damage, including owned, non-owned and hired automobiles. Also include Uninsured/Underinsured Motorists coverage in the minimum amount of \$100,000 when there are owned vehicles.
3. Workers' Compensation coverage, in full compliance with California statutory requirements, for all employees of COLLECTOR and Employer's liability in the minimum amount of \$1,000,000.

(b) All insurance required will be primary coverage as respects COUNTY and any insurance or self-insurance maintained by the COUNTY will be in excess of COLLECTOR'S insurance coverage and the COUNTY will not contribute toward any claim(s) in excess of COLLECTOR'S insurance coverage. COUNTY is to be notified within two (2) business days if any aggregate insurance limit is exceeded. Additional coverage must be purchased to meet requirements. The COUNTY, its boards, agents, departments, officers, employees, agents and volunteers are to be named as Additional Insureds with respect to work done by COLLECTOR under the terms of this contract on all policies required (except Workers' Compensation). COLLECTOR agrees to waive all rights of subrogation against the COUNTY, its boards, agents, departments, officers, employees, agents and volunteers for losses arising directly or indirectly from the activities

and/or work performed by COLLECTOR under the terms of this agreement. COLLECTOR will provide written notice to the DIRECTOR sixty (60) days before policies are canceled, reduced in scope of coverage, or not renewed.

(c) COLLECTOR agrees to provide COUNTY with the following insurance documents on or before the effective date of this contract.

1. Certificates of Insurance for all required coverage.
2. Additional Insured endorsements.
3. Waiver of Subrogation endorsements (a.k.a.: Waiver of Transfer Rights of Recovery Against Others, Waiver of Our Right to Recover from Others).
4. Ten (10) Days Notice Cancellation Clause endorsements in the event of nonpayment.

(d) Failure to provide these documents may be grounds for immediate termination or suspension of this Agreement.

(e) All insurance requirements and provisions of this Section 6.2 shall apply to any COUNTY-approved subcontractor used by COLLECTOR to perform any of COLLECTOR's services provided under this Agreement, and it is COLLECTOR's duty to confirm its subcontractors' compliance with the same.

Section 6.3 ASSURANCES OF PERFORMANCE

Throughout the term of this Agreement, COLLECTOR, at its expense, shall maintain for COUNTY'S benefit a performance bond or letter of credit in the face amount of \$30,000 to assure performance of COLLECTOR'S obligations under this Agreement. COLLECTOR shall use a COUNTY-approved bond or letter of credit template, which the COUNTY must approve and accept as to final form. Said bond or letter of credit shall provide for arbitration of claims consistent with Section 7.6 (ARBITRATION). Throughout the term of this Agreement, an admitted surety insurer or bank authorized to do business in the State of California shall issue the bond or letter of credit. COLLECTOR shall not permit the bond or letter of credit to be canceled or modified, or to expire without providing the DIRECTOR thirty (30) days advance written notice, and without first obtaining and providing a replacement bond, notice of maturity, or replacement letter of credit satisfactory to DIRECTOR.

ARTICLE 7. DEFAULT AND REMEDIES FOR BREACH

Section 7.1 CIRCUMSTANCES THAT CONSTITUTE MATERIAL BREACH

Without limitation, the following acts by COLLECTOR shall each, in COUNTY's sole discretion, constitute a material breach of this Agreement for purposes of termination under Section 7.2 (TERMINATION UPON DEFAULT): (1) failure to comply with any of the terms or conditions of this Agreement; (2) failure to submit to the COUNTY within thirty (30) days after it is due any fee payment or any of the reports or information requested by the COUNTY or required to be submitted pursuant to this Agreement; (3) failure to comply with any SOLID WASTE DIVERSION standard outlined within Section 3.4 (DIVERSION STANDARDS) and Section 1.16 (RECYCLABLES); (4) intentional submission to the COUNTY of any materially inaccurate information or financial data or information; (5) commission of the following crimes by the COLLECTOR, its parent or affiliates or any of their directors, officers or employees, the conduct of which relates directly or indirectly to this Agreement or performance hereunder: bribery, forgery, price fixing, proposal rigging, fraud, obstruction of justice, extortion, racketeering or

illegal disposal of HAZARDOUS WASTE; and (6) failure of the COLLECTOR to provide REGULAR COLLECTION SERVICE in accordance with established schedules to ten (10) or more customers for seven (7) or more calendar days after the last regularly scheduled REGULAR COLLECTION SERVICE is provided.

Section 7.2 TERMINATION UPON DEFAULT

(a) If the COLLECTOR is in material breach or default of this Agreement, the COUNTY, in its sole discretion, may terminate this Agreement, provided, however, the COUNTY must first give COLLECTOR written notice of such breach or default specifying the particulars thereof. The COUNTY may not terminate this Agreement on the grounds of said breach or default if said breach or default is remedied within ten (10) business days after such notice or, if the nature of the breach or default is such that more than ten (10) business days are required for its remedy, then the COUNTY may not terminate this Agreement if COLLECTOR commences such remedy within ten (10) business days, and thereafter diligently prosecutes the remedy to completion. The provisions herein to allow remedy of default shall not apply to material breaches numbered (4), (5) or (6) of Section 7.1 (CIRCUMSTANCES THAT CONSTITUTE MATERIAL BREACH).

(b) If COLLECTOR violates any provision contained in Chapter 7 of Division 4 of the Ventura County Ordinance Code, as may be amended, COLLECTOR may also be subject to any and all applicable civil and criminal sanctions set forth therein, as may be amended.

Section 7.3 REMEDIES UPON DEFAULT

If either the COLLECTOR or the COUNTY breaches any of the terms of this Agreement, the other party shall be entitled to recover its damages, whether or not the default has been remedied under Section 7.2 (TERMINATION UPON DEFAULT) above. In the event COLLECTOR is in default or breach of any of the terms or conditions of this Agreement, the COUNTY may also declare the amount of the COLLECTOR'S performance bond or letter of credit forfeited to the extent necessary to remedy said breach or default, including without limitation, to pay the cost or expense to the COUNTY of obtaining replacement COLLECTION SERVICES. The amounts of said bond or letter of credit in no way limits the COLLECTOR'S liability for damages.

Section 7.4 FORCE MAJEURE

Neither party shall be liable for breach of contract or default under this Agreement if such failure to perform is caused by riot, war, strike, acts of God or other similar or different circumstances beyond the reasonable control of the party.

Section 7.5 NON-WAIVER

The waiver or failure of COLLECTOR or the COUNTY to enforce any provision of this Agreement shall not be construed as a continuing waiver as to future enforcement of any such provision or any other provision.

Section 7.6 ARBITRATION

Except as otherwise provided in this Agreement, any controversy, dispute, or claim arising out of, or related in any way to this Agreement, including without limitation, any claims for damages or compensation or any claims under or pursuant to a performance bond or letter of credit, shall be subject to binding arbitration before a neutral arbitrator in accordance with Title 9 of Part 3 of the California Code of Civil Procedure (commencing with Section 1280). Judgment upon any award or determination rendered by said arbitrator may be entered in any court having

jurisdiction thereof. The arbitrator shall determine whether one or both of the parties shall pay the arbitrator's fees and costs associated with any discovery.

Section 7.7 LIQUIDATED DAMAGES

The parties acknowledge that DIVERSION is of utmost importance to the COUNTY and that COUNTY has considered and relied on COLLECTOR'S representations as to its quality of DIVERSION commitment in awarding this Agreement. The parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent DIVERSION efforts. The parties further recognize that if COLLECTOR fails to achieve DIVERSION performance standards, the COUNTY and its residents will suffer damages and that it is, and will be, impractical and extremely difficult to ascertain and determine the exact amount of damages the COUNTY will suffer. Therefore, without prejudice to the COUNTY'S right to treat such non-performance as an event of default under this Article 7, the parties agree that the following liquidated damage amounts represent a reasonable estimate of the amount of such damages considering all of the circumstances existing on the date of this Agreement, including the relationship of the sums to the range of harm to the COUNTY that reasonably could be anticipated and the anticipation that proof of actual damages would be costly and impractical: Beginning with calendar year 2016 and for the remainder of the term, including any partial calendar year at the end of the term, for every ton of DIVERSION that is below the minimum necessary to meet the annual DIVERSION requirement stated in Section 3.4 (DIVERSION STANDARDS), COLLECTOR shall pay COUNTY twenty-five (25) dollars per ton.

ARTICLE 8. MISCELLANEOUS PROVISIONS

Section 8.1 ASSIGNMENT AND CHANGE OF OWNERSHIP

(a) No COLLECTOR interest in this Agreement may be assigned, sold, or transferred (collectively referred to hereinafter as TRANSFER), either in whole or in part, without the prior written consent of the COUNTY in accordance with this Section 8.1. COLLECTOR shall promptly notify DIRECTOR in writing in advance of any proposed TRANSFER, which must be approved by the BOARD prior to taking effect. In the event the BOARD approves of any TRANSFER, said approval shall not relieve COLLECTOR of any of its obligations or duties under this Agreement unless this Agreement is duly amended in writing to that effect pursuant to Section 8.4 (AMENDMENTS). For purposes of this Section, "TRANSFER" shall also include, but not be limited to:

1. A sale, exchange, or other transfer to a third party of at least 25 percent of COLLECTOR'S assets dedicated to service under this Agreement;
2. A sale, exchange or other transfer to a third party, including other shareholders, of outstanding common stock of COLLECTOR, which may result in a change of control of COLLECTOR;
3. Any dissolution, reorganization, consolidation, merger, recapitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction to which COLLECTOR or any of its shareholders is a party, which results in a change of ownership or control of COLLECTOR;
4. Any assignment by operation of law including insolvency or bankruptcy, assignment for the benefit of creditors, writ of attachment for an execution being levied

against this Agreement, appointment of a receiver taking possession of COLLECTOR'S property, or transfer occurring in a probate proceeding;

5. Any combination of the foregoing, (whether or not in related or contemporaneous transactions), which has the effect of any such transfer or change of ownership or change of control of COLLECTOR.

(b) COLLECTOR must comply with the following requirements prior to the COUNTY's consideration and approval of a TRANSFER request:

1. COLLECTOR must not be in material breach of this Agreement.

2. COLLECTOR must pay the COUNTY its reasonable expenses for attorney's fees and staff costs to investigate the suitability of any entity to which COLLECTOR proposes to TRANSFER its interests (hereinafter, collectively TRANSFEREE), and to review and finalize any documentation required as a condition for approving any such TRANSFER;

3. COLLECTOR shall furnish the COUNTY with audited financial statements of the proposed TRANSFEREE's operations for the immediately preceding three (3) operating years;

4. COLLECTOR shall furnish the COUNTY with satisfactory proof:

a. that the proposed TRANSFEREE has at least ten (10) years of solid waste management experience on a scale equal to, or exceeding, the scale of operations conducted by COLLECTOR under this Agreement;

b. that the proposed TRANSFEREE has conducted its operations in an environmentally safe and conscientious manner;

c. that the proposed TRANSFEREE has not had a license or permit authorizing TRANSFEREE's solid waste collection operations forfeited or revoked by any local, state or federal entity within the past five (5) years;

d. that the proposed TRANSFEREE or any of its officers, directors or employees have not pled or been found guilty (or pled no contest), or had an adverse civil judgment entered against them, regarding the following types of criminal offenses or civil claims related to, or arising from, a solid waste collection operation within the past five (5) years: bribery, forgery, price fixing, proposal rigging, fraud, obstruction of justice, extortion, racketeering or illegal disposal of SOLID WASTE, HAZARDOUS WASTE or RECYCLABLES; and

e. that the proposed TRANSFEREE can otherwise perform its duties and obligations under this Agreement in a timely, safe, and effective manner.

Section 8.2 SUBCONTRACTING

COLLECTOR shall not subcontract with any person or entity to perform any COLLECTION SERVICES or any of its duties or responsibilities hereunder without the prior written consent of

the DIRECTOR. COLLECTOR shall be fully responsible for all services performed by its subcontractors which must be performed in accordance with all terms and conditions of this Agreement. All insurance requirements set forth in Section 6.2 (INSURANCE) shall apply to each subcontractor, except to the extent such requirements are modified or waived in writing by DIRECTOR; COLLECTOR shall ensure that each of its subcontractors obtains and keeps in force and effect during the term of this Agreement the required insurance.

Section 8.3 COMPLETE AGREEMENT

This Agreement, including all exhibits hereto, constitutes the entire agreement and understanding between COLLECTOR and the COUNTY regarding the subject matter hereof and supersedes all previous agreements, understandings and representations of any nature whatsoever, whether oral or written, regarding the subject matter hereof.

Section 8.4 SEVERABILITY

If any term, provision, covenant or condition of this Agreement is determined by a court or arbitrator of competent jurisdiction to be invalid, void or unenforceable, the rest of the Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

Section 8.5 AMENDMENTS

This Agreement shall not be altered, amended, extended or modified except in a written amendment hereto that is duly approved by the BOARD and COLLECTOR.

Section 8.6 INDEPENDENT CONTRACTOR

COLLECTOR is solely responsible for supplying all personnel, property and equipment, and for covering all costs and expenses, associated with COLLECTOR's provision of the COLLECTION SERVICES, and with the performance its duties and obligations hereunder. No relationship of employer and employee is created by this Agreement, it being understood that COLLECTOR is an independent contractor, and neither COLLECTOR nor any of the persons performing services for COLLECTOR pursuant to this Agreement, whether said person be member, partner, employee, subcontractor, or otherwise, will have any claim under this Agreement or otherwise against the COUNTY for sick leave, vacation pay, retirement benefits, social security, workers' compensation, disability, unemployment insurance benefits, or employee benefits of any kind. It is further understood and agreed by the parties hereto that, except as provided in this Agreement, COLLECTOR in the performance of its obligation hereunder is subject to the control or direction of the COUNTY merely as to the result to be accomplished by the services hereunder agreed to be rendered and performed and not as to the means and methods for accomplishing the results. If, in the performance of this Agreement, any third persons are employed by COLLECTOR, such persons will be entirely and exclusively under direction, supervision and control of COLLECTOR. All terms of employment, including hours, wages, working conditions, discipline, hiring and discharging or any other terms of employment or requirements of law, will be determined by COLLECTOR, and the COUNTY will have no right or authority over such persons or the terms of such employment, except as provided in this Agreement.

Section 8.7 GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8 NONDISCRIMINATION

In the performance of this Agreement, COLLECTOR shall abide by all applicable federal, state and local laws, regulations or ordinances pertaining to discrimination and shall not discriminate against any person, customer, servant or employee on account of race, sex, age, creed, color, religion, or national origin.

Section 8.9 CORPORATE AUTHORITY

COLLECTOR shall submit to DIRECTOR documentation sufficient to establish that the person acting on its behalf by signing this Agreement, or any amendments thereto, is authorized to do so.

Section 8.10 NO THIRD PARTY RIGHTS OR ENFORCEMENT

While this Agreement benefits the public interest throughout the unincorporated Ventura County, it is a contract between only the COUNTY and COLLECTOR and, accordingly, only the COUNTY and COLLECTOR may enforce the terms and conditions of this Agreement. No claims, demands, or causes of action by any entity, party or person claiming to be a third-party beneficiary hereunder are enforceable.

Section 8.11 NOTICES

All notices or correspondence under this Agreement shall be given to the following addresses and shall be deemed delivered on the date of actual delivery or on the third business day after the date of mailing. Either party may, by giving written notice in accordance with this Section, change the names or addresses of the persons or departments designated for receipt of future notices.

Exhibit C – Rate Adjustment Calculation Worksheet

This exhibit describes the methodology for calculating the rate adjustments described in Section 4.4 (Annual Inflation Adjustments), Section 4.5 (Regulatory Fee Adjustments), and Section 4.6 (Tipping Fee Adjustments).

I. CALCULATING THE ANNUAL INFLATION ADJUSTMENTS

Pursuant to Section 4.4 (Annual Inflation Adjustments), the following calculation shall be used to determine the appropriate adjustment to the CUSTOMER RATE based on the annual inflation adjustments. The annual inflation adjustments shall be applied to the BASE RATE.

A. Calculating the BASE RATE

- Step 1. Identify the existing CUSTOMER RATE.
- Step 2. Identify the current percentage of COUNTY REGULATORY FEES applied to the CUSTOMER RATE.
- Step 3. Multiply the amount in Step 1 by the fee percentage identified in Step 2.
- Step 4. Deduct this amount from the existing CUSTOMER RATE.
- Step 5. Identify the current Integrated Waste Management Program (CIWMP) Fee applied to the CUSTOMER RATE and deduct this amount from the amount left in Step 4. This is the BASE RATE.

To calculate the CIWMP Fee that is applied to the CUSTOMER RATE, multiply the current CIWMP Fee rate, (i.e., five (5) cents/ton of refuse disposed) by the most current estimate of annual refuse tons generated in the SERVICE AREA. This tonnage estimate shall be calculated based on the COLLECTOR'S submittal of the most recent four quarters of refuse data provided to the COUNTY pursuant to Section 3.15 (Reporting and Fee Payment Requirements). Add the approved disposed refuse tons for all four quarters and divide this amount by the number of RESIDENTIAL CUSTOMERS in the SERVICE AREA. Divide this number by 12. This amount shall equal the current CIWMP Fee per month that is applied to the CUSTOMER RATE.

Example BASE RATE Calculation:

- Example Step 1. CUSTOMER RATE = \$30.00
- Example Step 2. COUNTY REGULATORY FEES = 11.25%
- Example Step 3. $\$30.00 * .1125 = \3.38
- Example Step 4. $\$30.00 - \$3.38 = \$26.62$
- Example Step 5. Current CIWMP Fee = $\$0.05/\text{ton} * 1,000 \text{ annual refuse tons} = \50
 $\$50/500 \text{ RESIDENTIAL CUSTOMER}/12 \text{ months} = \0.0083
 $\$26.62 - .01 = \$26.61 = \text{new BASE RATE}$

B. Calculating the Annual Percentage Change in the CPI

- Step 6. Identify the twelve (12) month average CPI ending September of the most recent year (regardless if a projection is deemed "preliminary").
- Step 7. Identify the CPI for the twelve (12) month average CPI ending September of the preceding year.
- Step 8. Subtract the answer in Step 7 from the answer in Step 6.
- Step 9. Divide this difference by the average CPI from Step 7. This equals the total annual percentage change in CPI.
- Note: Apply Steps 6-9 for both of the following CPI Databases:
- (a) All Urban Consumers (Current Series), Los Angeles-Orange-Riverside County, CA, All Items Less Energy, not seasonally adjusted.
 - (b) Commodity Data, Fuels and Related Products and Power, Natural Gas, not seasonally adjusted.
- Step 10. Multiply the total annual percentage changes from Note (a) by 95% and from Note (b) by 5%. Add totals for aggregate annual percentage change in CPI.
- Step 11. Multiply the aggregate in Step 10 by 85%. This is the allowable annual percentage change in CPI that will be applied to the BASE RATE.

Example Calculation of Annual Percentage Change in the CPI

- Example Step 6. Current twelve (12) month average CPI (a) = 237; Current twelve (12) month average CPI (b) = 145
- Example Step 7. Preceding twelve (12) month average CPI (a) = 235; Preceding twelve (12) month average CPI (b) = 115
- Example Step 8. (a) $237 - 235 = 2$; (b) $145 - 115 = 30$
- Example Step 9. (a) $2/235 = .85\%$; (b) $30/115 = 26.09\%$ (total annual percentage change in CPI)
- Example Step 10. (a) $.85\% * 95\% = .81\%$; (b) $26.09\% * 5\% = 1.30\%$
- Example Step 11. $.81\% + 1.30\% = 2.11\% * 85\% = 1.79\%$ (allowable annual percentage change in CPI applied to BASE RATE.)

C. Applying the Annual Percentage Change in CPI to the Base Rate

- Step 12. Multiply the BASE RATE calculated in Step 5 by the allowable annual percentage change in CPI calculated in Step 10. Add to BASE RATE.
- Step 13. Add the CIWMP Fee calculated in Step 5 to this amount.

Step 14. Add the REGULATORY FEES identified in Step 2 by dividing the amount from Step 13 by the inverse (.8875). This is the new CUSTOMER RATE.

Example Calculation of Applying the Annual Percentage Change in CPI to the BASE RATE:

Example Step 12. $\$26.61 * 1.79\% = \$.48$; $\$26.61 + \$.48 = \$27.09$

Example Step 13. $\$27.09 + \$0.01 = \$27.10$

Example Step 14. $\$27.10 / .8875 = \30.54 (New CUSTOMER RATE)

II. CALCULATING THE REGULATORY FEE ADJUSTMENT

Pursuant to Section 4.5 (Regulatory Fee Adjustments), the following calculation shall be used to determine the appropriate adjustment to the CUSTOMER RATE based on a change in COUNTY REGULATORY FEES. There are three COUNTY REGULATORY FEES that may be adjusted: the Collector Fee (CF), the Waste Management Fee (WMF), and the California Integrated Waste Management Program Fee (CIWMP).

- Step 1. Identify the existing CUSTOMER RATE.
- Step 2. Identify the current percentage of the COUNTY REGULATORY FEE that is being adjusted.
- Step 3. Multiply the amount in Step 1 by the fee percentage identified in Step 2.
- Step 4. Deduct this amount from the existing CUSTOMER RATE.
- Step 5. Identify the new percentage of COUNTY REGULATORY FEES.
- Step 6. Add the REGULATORY FEES by dividing the rate from Step 4 by the inverse (.8875) of the new percentage of COUNTY REGULATORY FEES. This is the new CUSTOMER RATE.
- Step 7. Divide the new CUSTOMER RATE by the CUSTOMER RATE identified in Step 1. This is the rate multiplier. The CF or WMF rate multiplier shall be applied to all other services other than Basic Rate, Green Materials Exemption Discount and Senior Discount. The CIWMP rate multiplier shall be applied the same as above, but will exclude all Special Service Charges listed on Exhibit B with the exception of Extra Residential Cart or Extra Residential Bin Collection Charges.

Example Calculation for a Change in the Collector Fee and/or Waste Management Fee

Example Step 1. CUSTOMER RATE = \$30.00

Example Step 2. COUNTY REGULATORY FEE = 13.25%

Example Step 3. $\$30.00 * .1325 = \3.98

Example Step 4. $\$30.00 - \$3.98 = \$26.02$

- Example Step 5 New COUNTY REGULATORY FEE = 11.25%
- Example Step 6. \$26.02 / .8875 = \$29.32 (New CUSTOMER RATE)
- Example Step 7. \$29.32/\$30.00 = .98

Example Calculation for a Change in the CIWMP Fee

- Example Step 1. CUSTOMER RATE = \$30.00
- Example Step 2. Existing COUNTY REGULATORY FEE = \$0.50/per ton disposed
- Example Step 3. \$0.50/ton * 1,000 annual refuse tons = \$500
 \$500/500 RESIDENTIAL CUSTOMERS/12 months = \$0.083
 (For more detail on this calculation, see “BASE RATE” calculation, Example Step 5)
- Example Step 4. \$30.00 - .08 = \$29.92
- Example Step 5. New COUNTY REGULATORY FEE = \$0.05/per ton disposed
- Example Step 6. \$0.05/ton * 1,000 annual refuse tons = \$50
 \$50/500 RESIDENTIAL CUSTOMERS/12 months = \$0.0083
 \$29.92 + .01 = \$29.93
- Example Step 7. \$29.93/\$30.00 = .9977

III. CALCULATING THE TIP FEE ADJUSTMENT

Pursuant to Section 4.6 (Tip Fee Adjustments), the following calculation shall be used to determine the appropriate adjustment to the CUSTOMER RATE based on a change in TIPPING FEES.

- Step 1. Identify the existing CUSTOMER RATE.
- Step 2. Identify the existing TIPPING FEES that are applied to the CUSTOMER RATE and deduct this amount from the CUSTOMER RATE.

To calculate the existing TIPPING FEES that are applied to the CUSTOMER RATE, multiply the existing TIPPING FEES for each material type by the annual tons for each material type generated in the SERVICE AREA. This tonnage shall be based on the COLLECTOR’S submittal of the most recent four quarters of County-approved data for all material types provided to the COUNTY pursuant to Section 3.15 (Reporting and Fee Payment Requirements). Add all the TIPPING FEES together and divide this total by the number of RESIDENTIAL CUSTOMERS in the SERVICE AREA and then divide by twelve (12). The amount shall equal the existing TIPPING FEE per month that is applied to the CUSTOMER RATE.

- Step 3. Subtract the existing TIPPING FEE calculated in Step 2 from the BASE RATE.

- Step 4. Calculate the new TIPPING FEES.
- Step 5. Add the new TIPPING FEES to the amount calculated in Step 3. This is the new CUSTOMER RATE.
- Step 6. Divide the new CUSTOMER RATE by the existing CUSTOMER RATE identified in Step 1. This is the rate multiplier to be applied to all other services other than Basic Rate, Green Materials Exemption Discount and Senior Discount. The rate multiplier will exclude Special Service Charges listed on Exhibit B with the exception of Extra Residential Cart or Extra Residential Bin Collection Charges.

Example Calculation for the Tipping Fee Adjustment

Example Step 1. CUSTOMER RATE = \$30.00

Example Step 2.	Refuse tip fee	\$50.00	Annual refuse tons	1,000
	Commingled tip fee	\$ 0.00	Annual commingled tons	200
	Green tip fee	\$25.00	Annual green tons	500

\$50.00 * 1,000 =	\$50,000	Refuse tip paid annually
\$ 0.00 * 200 =	\$ 0	Commingled tip paid annually
\$25.00 * 500 =	<u>\$12,500</u>	Green tip paid annually
	\$62,500	Total tip fee paid annually

\$62,500/500 RESIDENTIAL CUSTOMERS = \$125.00 paid annually
 \$125.00/12 months = \$10.42 tip fee paid monthly

Example Step 3. \$30.00 - \$10.42 = \$19.58

Example Step 4.	\$52.00 * 1,000 =	\$52,000	Refuse tip paid annually
	\$ 0.00 * 200 =	\$ 0	Commingled tip paid annually
	\$30.00 * 500 =	<u>\$15,000</u>	Green tip paid annually
		\$67,000	Total tip fee paid annually

\$67,000/500 RESIDENTIAL CUSOTMERS = \$134.00 paid annually
 \$134.00/12 months = \$11.17 tip fee paid monthly

Example Step 5. \$19.58 + \$11.17 = \$30.75 = New CUSTOMER RATE

Example Step 6. \$30.75/\$30.00 = 1.025
