For the County of Ventura, hereinafter referred to as "Sub-Recipient".

I. Definition of Terms

The terms used in this agreement have the meanings defined in 49 CFR 26.5

II. Objective/Policy Statement (49 CFR 26.1 and 26.23)

SUB-RECIPIENT intends to receive federal financial assistance from the U.S. Department of Transportation (DOT) through the California Department of Transportation (Caltrans), and as a condition of receiving this assistance, SUB-RECIPIENT will sign the California Department of Transportation Disadvantaged Business Enterprise Implementation Agreement (hereinafter referred to as Agreement). SUB-RECIPIENT agrees to implement the State of California, Department of Transportation Disadvantaged Business Enterprise (DBE Program Plan (hereinafter referred to as the DBE Program Plan) as it pertains to local agencies. The DBE Program Plan is based on U.S. Department of Transportation (DOT), 49 CFR 26 requirements.

It is the policy of SUB-RECIPIENT to ensure that DBE's as defined in 49 CFR 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also SUB-RECIPIENT's policy:

- To ensure nondiscrimination in the award and administration of DOT-assisted contracts.
- To create a level playing field on which DBE's can complete fairly for DOT-assisted contracts.
• To ensure that the DBE participation percentage is narrowly tailored, in accordance with applicable law.
• To ensure that only firms that fully meet 49 CFR 26 eligibility standards are permitted to participate as DBE’s.
• To help remove barriers to participation of DBE’s in Federal-aid contracts.
• To assist the development of firms that can compete successfully in the market place outside the DBE Program.

III. Nondiscrimination (49 CFR 26.7)

SUB-RECIPIENT will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award an performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the local agency components of the DBE Program Plan, SUB-RECIPIENT will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

V. Race-Neutral Means of Meeting Caltrans Overall Statewide Annual DBE Goal (49 CFR 26.51(a))

Caltrans expects SUB-RECIPIENT to meet the maximum feasible portion of Caltrans Overall Statewide Annual DBE Goal through race-neutral means of facilitating DBE participation. Race-neutral DBE participation includes when a DBE wins a prime contract through customary competitive procurement procedures, is awarded a subcontract on a prime contract that does not carry a DBE goal, or even if there is a DBE goal, wins a subcontract from a prime contractor that did not consider its DBE status in making the award (e.g., a prime contractor that uses a strict low-bid system to award subcontracts). Race-neutral means include, but are not limited to, the following:

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate the participation of DBE and other small business (e.g., unbundling large contracts to make them more accessible to small business, requiring or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces);

2. Providing assistance in overcoming limitations such as inability to obtain bonding or financing (e.g., by such means as simplifying the bonding process, reducing bonding requirements, eliminating the impact of surety costs from bids, and providing services to help DBE’s and other small businesses obtain bonding and financing);
3. Providing technical assistance and other services;

4. Carrying out information and communications programs on contracting procedures and specific contract opportunities (e.g., ensuring the inclusion of DBE's and other small business on SUB-RECIPIENT mailing lists of bidders; ensuring the dissemination to bidders on prime contracts of lists of potential subcontractors; provision of information in languages other than English, where appropriate);

5. Implementing a supportive services program to develop and improve immediate and long-term business management, record keeping, and financial and accounting capability for DBE's and other small businesses;

6. Providing services to help DBE's and other small businesses improve long-term development, increase opportunities to participate in a variety of types of work, handle increasingly significant projects, and achieve eventual self-sufficiency;

7. Establishing a program to assist new, start-up firms, particularly in fields in which DBE participation has historically been low;

8. Ensuring distribution of your DBE directory through print and electronic means to the widest feasible universe of potential prime contractors; and

9. Assisting DBE's and other small businesses to develop their capability to utilize emerging technology and conduct business through electronic media.

VI. Race-conscious Means of Meeting Caltrans Overall Statewide Annual DBE Goal (49 CFR 26.51 (d))

SUB-RECIPIENT must establish DBE contract goals to meet any portion of Caltrans Overall Statewide Annual DBE Goal that cannot be achieved through race-neutral means.

VII. Quotas (49 CFR 26.43)

SUB-RECIPIENT will not use quotas or set-asides in any way in the administration of the local agency component of the DBE Program Plan.

VIII. DBE Liaison Officer (DBELO) (49 CFR 26.25)

SUB-RECIPIENT has designated a DBE Liaison Officer.
