The screenshot displays the 'County View' web application for Ventura County, California. The interface includes a top navigation bar with the county logo, a search bar containing '38-MR-27', and a 'Tools' icon. On the left, a sidebar provides details for the selected record: '38-MR-27', 'Map Type: Misc. Record', 'Page: 27', and 'Tract: TR 1398-2'. Below this, the 'Hyperlinks' section contains a 'View Document' link, which is highlighted by a blue callout box with the text: '7. Select "View Document" to open/save record (.pdf format)'. The main area is a map of San Buenaventura showing various streets and record markers. A red location pin is placed on the map, and a scale bar at the bottom indicates 60 meters. The bottom navigation bar includes 'Home', 'Layers', and a search bar with '38-MR-27'.

General Notes:

- 1) Selecting “Record Maps” in the “More” (layers) menu will show all record maps: **Miscellaneous Records (MR)** which include Tract Maps; **Parcel Maps (PM)**; and **Records of Survey (RS)**.
- 2) Selecting “Survey Records” in the “More” (layers) menu will show **Corner Records (CR)**, **Unrecorded Maps (UM)** and **Centerline Tie Sheets** filed with the County Surveyor’s Office as well as **Benchmarks**.
- 3) The display of the locations (by approximate centroid point) is scale dependent in County View. If you select “Record Maps” and/or “Survey Records” and no points are displayed try zooming in to your area of interest.
- 4) A County View User Guide is also available here:
