

# FLOOD/MUD Preparedness EVENT

*County residents impacted by the Woolsey & Hill Fires  
are encouraged to attend this free event*

**DECEMBER 8<sup>th</sup>**  
**9 a.m. to Noon**  
**Oak Park High School's Pavilion**  
**899 Kanan Rd in Oak Park**

The County of Ventura invites you to learn valuable information to keep your home and property safe from potential mud and debris flows resulting from rain on Woolsey and Hill reburn areas. Public Works officials with Ventura County and City of Thousand Oaks will discuss burn area analysis and erosion control measures that will assist you in protecting your family and property.

***PLAN. PREPARE. STAY INFORMED.***

- View maps with details and information about potential risks.
- Browse vendor expo products and talk with flood & erosion protection experts.
