

ANNUAL PERMIT CONDITIONS FOR TREE TRIMMING

By submitting a signed permit application, permittee accepts and agrees to comply with all terms and conditions, including those appearing on the permit application, these annual permit conditions, the standard conditions, and all special conditions. Failure to comply with any condition of the permit, including work contrary to any condition of the permit, constitutes a misdemeanor violation of Ventura County Ordinance Code section 12601.

Requirements for All Types of Work

A separate permit is not required, however:

1. Permittee must comply with the following standards and conditions:
 - a. 2019 Encroachment Permit Standard Conditions
 - b. NPDES Implementation Requirements
 - c. These annual conditions
 - d. Any special conditions
2. The permittee must notify the Inspector a minimum of 48 hours in advance of the proposed start time. Permittee must speak with an Inspector prior to commencing the work. Additional traffic control measures may be required by the Inspector.
3. The shapeliness of the tree shall be preserved when trimming.
4. The permit must be at the job site and must be made available for review at all times.
5. The permittee must continue to maintain liability insurance in accordance with the County requirements at all times during the permit period.
6. Traffic Control shall be in accordance with the California MUTCD.
