## NOTICE OF A SPECIAL MEETING OF THE VENTURA COUNTY WATERWORKS DISTRICT NO. 19 CITIZENS' ADVISORY COMMITTEE

NOTICE IS HEREBY GIVEN that a special meeting of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee will be held **Wednesday**, **May 20**, **2020 from 3:30 p.m. to adjournment** via Zoom. To electronically join the meeting please follow the provided steps – At the specific time (3:30 p.m.) dial the number (669) 900-6833, when prompted enter the meeting ID 470 052 7072. You can also join the meeting by visiting this link - **Join Zoom Meeting** https://us02web.zoom.us/j/4700527072

Advisory Committee Members: Please contact the District Office by telephone at (805-378-3005), or by email at wspc@ventura.org, no later than May 18, if you are unable to participate on the call.

Sincerely,

JC Pope Joseph C. Pope, Director

Water and Sanitation Department

#### AGENDA OF MEETING

IN ACCORDANCE WITH THE CALIFORNIA GOVERNOR'S EXECUTIVE STAY AT HOME ORDER AND THE COUNTY OF VENTURA HEALTH OFFICER DECLARED LOCAL HEALTH EMERGENCY AND BE WELL AT HOME ORDER RESULTING FROM THE NOVEL CORONA VIRUS, THE MOORPARK WATER AND SANITATION BUILDING IS CLOSED TO THE PUBLIC. TO FIND OUT HOW YOU MAY ELECTRONICALLY ATTEND THE CAC MEETING AND PROVIDE PUBLIC COMMENT PLEASE REFER TO "NOTICES" LOCATED ON PAGE 2 AND 3 OF THIS AGENDA.

- 1. CALL TO ORDER
- 2. APPROVAL OF THE MINUTES OF THE MAY 1, 2020 SPECIAL MEETING MINUTES
- 3. PUBLIC COMMENTS Members of the public may address the Citizens' Advisory Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda. With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting.
- 4. COMMITTEE MEMBER'S COMMENTS Members of the Citizens' Advisory Committee may address the meeting with information or observations relevant to the operation of District 19 but do not appear on the Agenda.
- 5. ACTION ITEM Review and Approve Capital Improvement Charge Adjustments
- 6. DIRECTOR'S INFORMATIONAL ITEMS Provides the opportunity for the Director to present items that are not within the subject matter of the District's Staff Report
  - Calleguas Water Rate Presentation
  - Adoption of Invoice Cloud for Payment Processing
  - Department FY21 ISF Budget Presentation
  - Waterworks District 19 FY21 Budget Presentation
  - Waterworks District 19 Proposed Rate Increase Presentation
- 7. FUTURE AGENDA ITEMS
- 8. ADJOURNMENT

\*\*NOTICES: The following information is provided to help you understand, follow, and participate in the Board meeting: Public Comments – Public comment is the opportunity for members of the public to participate in meetings by addressing the Citizens Advisory Committee in connection with one or more agenda or non-agenda items.

Observe the Citizens Advisory Committee meeting live at: https://us02web.zoom.us/j/4700527072

- ➢ If you wish to make a comment on a specific agenda item, please submit your comment via email by 5:00 p.m. on the Thursday prior to the Committee meeting. Please submit your comment to <a href="https://www.wspc.ncbi.nlm.nc
- ➢ If you are watching the live stream of the Committee meeting and would like to make a general public comment for items not on the day's agenda or to comment on a specific agenda item as it is being heard, please submit your comment to <u>WSPC@ventura.org</u>. Please indicate in the Subject Line, the Agenda item number (e.g., Item No. 3A). Every effort will be made to read your comment into the record, but some comments may not be read due to time limitations. Comments received after an agenda item will be made part of the record if received prior to the end of the meeting.

IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, IF YOU NEED SPECIAL ASSISTANCETO PARTICIPATE IN THIS MEETING, PLEASE CONTACT CAYTLYN CAYLOR AT (805) 378-3005. REASONABLE ADVANCE NOTIFICATION OF THE NEED FOR ACCOMODATION PRIOR TO THE MEETING (48 HOURS ADVANCE NOTICE IS PREFERABLE) WILL ENABLE US TO MAKE REASONABLE ARRANGEMENTS TO ENSURE ACCESSIBILITY TO THIS MEETING.

#### Draft

## CITIZENS' ADVISORY COMMITTEE VENTURA COUNTY WATERWORKS DISTRICT NO. 19 MINUTES OF THE MAY 1, 2020 SPECIAL MEETING

COMMITTEE MEMBERS IN ATTENDANCE: David Hutter, Lynette Buchanan-Roth, Diana Enos, and Kathy Janowski

COMMITTEE MEMBERS ABSENT: Kirby

COMMITTEE MEMBER VACANCY: None

STAFF: Joseph Pope, Director

Dave Hazen, Water Superintendent Jean Fontayne, Staff Services Manager II Caytlyn Caylor, Management Assistant III

**GUESTS: Brett Tibbitts** 

\* \* \*

1. CALL TO ORDER

The meeting was called to order at 3:35 p.m.

- 2. APPROVAL OF THE MINUTES OF THE DECEMBER 19, 2019 AND FEBRUARY 28 MEETING
  - CAC Members approved December 19, 2019 meeting minutes as provided by Staff
  - CAC Members approved February 28, 2020 meeting minutes with revisions as suggested by Brett Tibbitts to the public comment portion as written -

"Brett Tibbitts asked Mr. Pope about what transpired between the December 19, 2019 CAC meeting and the February 11, 2020 meeting of the Ventura County Financial Planning Committee. Mr. Tibbitts reminded those present that Mr. Pope promised at the December 19, 2019 meeting that he would work with the community in its December 2019 vote to override the County's proposed rate increase for District 19. At that meeting, Mr. Pope stated that he believed there was a path forward to proceed with the Well #2 project without obtaining a loan. Subsequent to that meeting and without telling the CAC, Mr. Pope and Mr. Jeff Pratt made a presentation to the February 11, 2020 County Financial Planning Committee meeting about District 19's obtaining a loan from the County to pursue the Well #2 project. Mr. Pratt further indicated to the Financial Planning Committee on February 11, 2020 that he felt a loan was needed and that District 19 had to raises rates before the County should loan money to District 19. As Jeff Pratt was at the CAC meeting on February 28, 2020, a discussion ensued throughout the meeting on this topic."

#### 3. PUBLIC COMMENTS

As submitted by Brett Tibbitts – "At the outset, I would like to register my dissatisfaction with the public's being excluded from live participation in this meeting. Instead, the public has to listen to the meeting in observe only mode and must present written comments before the

Minutes of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee Special Meeting for May 1, 2020 Ventura County Water and Sanitation Department Page 2 of 6

meeting. I assume Joe that you will say this is how the Board of Supervisors does its meeting during the Covid-19 pandemic. However, the District 19 CAC is not the Board of Supervisors. The latter can have hundreds of people wanting to participate in its meetings. Usually there is no more than a handful of the public to participate in the average CAC meeting. Zoom technology presents the option for the CAC members and Staff to all be live on the call and for the general public to be muted and push the "raise my hand" button when they wish to be acknowledged. This seems like a much fairer approach and more conducive with the spirit of the Brown Act during this pandemic.

I would like to urge Joe Pope to begin to consider a world of managing Water and Sanitation that will be far different from the past. In my initial business approach to Covid-19, I was hoping this pandemic would be resolved fairly quickly and the country would enjoy a "V" shaped economic recovery. As this pandemic has progressed, it is clear this is not going to happen and that the United States could be facing a full economic recovery that takes years and not months.

I believe there is a serious threat that this country could enter deflation due to the mountains of debt at the governmental and private levels. IF this is the case, District 19's current cost structure will be too bloated to be a financially responsible purveyor of water.

I know the County management has preferred to operate the water districts with annual salary increases for employees and annual water rate increases for customers. I believe those days COULD very well be over for the next few years and the District's job will be learning to operate with a declining budget instead of an ever-increasing budget. I believe the District should begin thinking about this a possible outcome.

#### 1. Somis Apartment Project

I am concerned about this project and its impact on District 19. This is a HUGE project of 360 apartment units. District 19 does not currently have an actual service connection in the area of this project. Since District 19 is on the small side with only 815 customer accounts, this project could greatly throw District 19 off balance.

Approximately 80% of District 19's water source is groundwater and 80% of District 19's water usage is for agricultural purposes. The large farmers in the Las Posas Valley have sued the County of Ventura over groundwater rights in the Fox Canyon field. A settlement is currently on the table that has been carefully negotiated at great expense and time over the past year.

The groundwater draws rights for District 19 in this settlement do not in any way anticipate a 360-unit apartment building being added to District 19's service area.

By adding this apartment complex to District 19, the County will probably be forced to purchase water from Calleguas at a greatly increased cost to pumping groundwater. This will in turn increase the cost of ag water to small farmers who depend upon District 19 for water. These

Minutes of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee Special Meeting for May 1, 2020 Ventura County Water and Sanitation Department Page 3 of 6

farmers are already at the tipping point with District 19's ag rates. So the District is putting up to 80% of its revenues on the line with the apartment project.

There IS another answer. The apartment project can purchase water directly from Calleguas since the Calleguas pipes run directly in front of the proposed project. I understand that one response will be that Calleguas is a wholesaler of water and the apartment project is not redistributor. However, Calleguas has several clients that are NOT water companies and instead distribute only to their own business.

My main point here is that Water & Sanitation needs to proceed carefully here and study the impacts of this project upon District 19 instead of just blindly offering up a will serve letter."

- 4. COMMITTEE MEMBER'S COMMENTS Members of the Citizens' Advisory Committee may address the meeting with information or observations relevant to the operation of District 19 but do not appear on the Agenda
  - Lynette mentioned being on the Zoom meeting regarding the Somis Apartment Project and her concern of the project being on the District 19 water system. Mr. Pope informed her that if the project is approved for building then the preliminary water usage would be 100-acre feet a year and would not be exceeding the Tier 1 Calleguas allocation for the District.
  - Lynette would like the option to discuss the Waterworks District 19 rate structure in more detail at a future CAC meeting

#### DISTRICT STAFF REPORT

#### A. FINANCIAL REVIEW

- An ending cash balance of 512,669 that is anticipated to be lower due to a change order for the Greentree Reservoir requiring a recoating. A loss of \$200k in revenue are projected through the month of March.
- Committee member Lynette would like to see a financial report with a better categorized system
- Committee member Kathy commented on the revenue being understated, she said it was based from 3 wet months and the upcoming months (May/June) are anticipated to be dry which will increase water sales/ water use.
- Financial Subcommittee update: Kathy reported the overhead cost is allocated based on salary dollar. Kathy informed the Committee that a rate increase discussion in the next couple months as the District is barely breaking even and the Well 2 project requires a 3% or 4% rate increase over the next couple years to cover the cost. She also would like to discuss with Joe that the legal costs of the lawsuit should be paid out of the General fund, not by the District. Kathy would like to make a formal complaint to the Board of Supervisors

Minutes of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee Special Meeting for May 1, 2020 Ventura County Water and Sanitation Department Page 4 of 6

regarding the way the County and Supervisor Bennett are handling the case.

#### B. CAPITAL PROJECTS REVIEW

o Mr. Pope will be presenting the Financial Planning Committee response regarding Well 2 to the Board of Supervisors on May 19. A request for potential projects for a Federal Grant was submitted for \$1.2mil to cover the remaining cost of the Well 2 project. A funding request was also submitted for the 538 Pressure Zone and Left Turn Lane project.

#### C. STATE OF WATER DISTRICT 19 INFRASTRUCTURE

- o Both District Greentree reservoirs 1 & 2 will be recoated
- 3 mainline leaks this calendar year with the most recent break on March 12 which was located on a bridge, and permanent repair is not fully completed and is estimated to cost \$15k. This repair requires an 8-hour water outage to the area and might impact customers.
- The second break located on Highway 118 and North St. cost \$17,588.50 to repair
- The third break located on North Greentree cost \$13,319.74 to repair
- o The base station for the AMI will be installed the summer of this year (2020)

#### D. WATER SUPPLY AND WATER QUALITY

- Water Quality Report
  - > 1 Odor Complaint:
    - Staff informed the customer the reservoir was just recently recoated, and the smell came from the coating. I let him know we would flush nearest hydrant to reduce smell, but the smell is not a health concern and the water is okay to drink

#### ➤ 4 Pressure Complaints:

- Low pressure is the result of water lines being "air-locked."
   Flushed air out of the line at the nearest fire hydrant.
   Customer able to verify flow and pressure are back to normal levels.
- Main valve in the ground was turned off to shut off water to replace angle stop. Valve is broken partially open. Angle stop was not replaced, customer has water. (This turned out to be a flow issue, not a pressure issue)
- System pressure normal. After speaking with a grounds keeper, it was determined that this is a flow issue. Customer is attempting to run irrigation off a 1/2" line and is unable to get the desired flow out of his sprinkler heads.

Minutes of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee Special Meeting for May 1, 2020 Ventura County Water and Sanitation Department Page 5 of 6

Customer was advised to increase supply line to irrigation or to zone off his irrigation system and run 1 zone at a time

This is a flow issue caused by a 4" service valve broken in a mostly closed position. There are 2 services off this valve, a 1" and 3". The flow is adequate for 1" service but not the 3". The customer has been provided with a fire hydrant meter so they can continue to fill their water truck. The broken 4" service valve will be replaced tomorrow, April 22, 2020.

#### 2 Other Complaints:

- Flushed hydrant at pump station across from customers house, Water had no color and tasted fine from both sources. Informed customer of results.
- Flushed the nearest fire hydrant for 15 minutes. Water had no unusual odor and taste. Informed customer of the results and let them know that we are blending with import water. Advised customer to flush their system as well.
- E. ADMINISTRATIVE UPDATE An update on issues related to administration of the District including billing, charges, fees, programs, etc.
  - Committee member Lynette asked for an update on the Adjudication lawsuit, which Mr. Pope responded that the current update is the lawsuit hearings are being pushed back due to the COVID-19. Calleguas Water District and Fox Canyon are now in agreement with the presented safe yield allocation.
  - Mr. Pope presented the Miscellaneous Fees board letter and exhibits that will be presented at the 5/5 Board of Supervisors meeting. He informed the Committee that the fees will be effective July 1 of this year and will be through 2024.
  - Mr. Pope also spoke on the Well 2 Financial Planning Committee Report that will be presented at the 5/19 Supervisor meeting. He will be presenting the original board letter that was brought to the FPC which was denied.
- F. DIRECTOR'S INFORMATIONAL ITEMS Provides the opportunity for the Director to present items that are not within the subject matter of the District's Staff Report
  - o Mr. Pope talked about the Somis 360-unit Farmworker Housing that requires CEQA EIR, conditional use permit: planned development permit, and tentative parcel map. The water availability subject to all above items, plus construction of water system improvements funded by the developer.
  - Staff member Jean Fontayne presented a PowerPoint on the Proposed Adoption of Invoice Cloud for Payment Processing. This processing site will bring the Water Department in compliance to

Minutes of the Ventura County Waterworks District No. 19 Citizens' Advisory Committee Special Meeting for May 1, 2020 Ventura County Water and Sanitation Department Page 6 of 6

> Visa Convenience Rule that allows web payments to have a flat fixed fee regardless of payment amount. This new system will all increase to paperless billing enrollment while reducing inbound calls. Convenience Fees will be:

- CC convenience Fee (online or phone) \$3.50
- Electronic Check Fee \$0.50
- CC Charge Back Fee \$15.00
- Electronic Check Return Fee \$10
- 6. AVENUES OF PUBLIC OUTREACH An update on how the District is reaching out to its customers concerning water conservation.
  - No updates
- 7. FUTURE AGENDA ITEMS
  - ISF Budget Presentation
  - District 19 Budget Presentation
  - o Proposed 4% rate structure increase presentation
- 8. ADJOURNMENT
  - The meeting adjourned at 5:31pm

Waterworks Districts

Ventura County Waterworks District No. 19
Somis Water Services
Capital Improvement Charge Adjustments

### What are Capital Improvement Charges?

- CICs are Governed by Waterworks Rules and Regs (WWRR) Part 1, Section J
- One-time charge paid by a new water system customer for system capacity.
- Also charged to existing customers requiring an increased meter size.
- Receipts from this charge are used to finance the development of growth-related or capacity-related water facilities
- Per AWWA M1 Manual: 3 methods can be used for calculating Connection Fees:
  - 1. Buy-in Method\* based on existing system's capacity.
  - 2. Incremental Cost Method based on cost to expand existing system's capacity
  - 3. Combined approach
- CICs are not the same as Construction Charges (WWRR Part 3, Section A).

\*Buy-In Method is recommended for Waterworks District 19

### Buy-in Method Explained

- New customer buys a proportionate share of capacity at the cost (value) of the existing facilities
- Based on the principle of achieving capital equity between existing and new customers
- Calculated based on the total current and planned values of the District's water systems divided by the system's current demands (represented by equivalent meters)
- Current value of District's Systems based on "Replacement Cost Less Depreciation"
  - 1. Inflation adjusted recovers the cost of replacing the new capacity in today's dollars
  - Accounts for depreciation and addresses the fact that the system is not new and has been used by existing customers

### Water Rates & Fees

# Calleguas Municipal Water District Purveyor Meeting

15

April 27, 2020

### Discussion

- Water Rate Adjustments
  - Metropolitan Rates
  - CMWD Rates
- Adjustments to Other Fees & Charges
- Next Steps
  - Public Hearing July 15, 2020

# Metropolitan Water Rates

### • Adoption

- Adopted April 14, 2020
- Relook at 2021 Rates by the end of August

### 2021 Rate Adjustments

- Originally proposed 5%/5%
- Tier 1 rate Increases 2.4% to \$1,104 A.F.
- CRC Increasing by 8.3%
- RTS Increasing by 2.1%

# Fixed Charges

### Capacity Charge (CC)

- Based on the highest weekly flow rate for a purveyor between May 1 and September 30.
- Purveyors with substantial production capacity from local supplies have the ability to take less water during that high demand period, which allows for wholesale water treatment, storage, delivery, and emergency supply infrastructure to be built at smaller capacities and saves money.

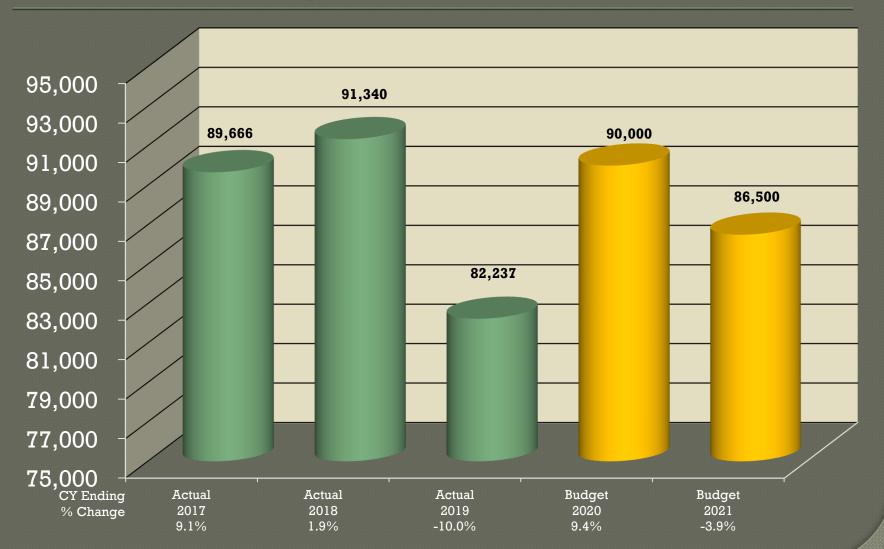

### Readiness to Serve Charge (RTS)

- · Based on a calendar 10 year rolling average.
- Recovers the capital cost of the portion of system capacity that is on standby to provide emergency service and operational flexibility.

### Water Rates

- 2021 Rate Adjustments
  - Operating: 4.1% Increase (\$4 A.F.)
  - Capital Construction: 2.2% Increase (\$7 A.F.)
  - Overall Tier 1 Rate: 2.5%
- Water Sales
  - Budget for 86,500 in FY 2020-21

### Discussion

- Public Hearing July 15, 2020
- Questions/Comments/Concerns?

Ventura County Waterworks District No. 1, 16, 17, 19 & 38

# Proposed Adoption of Invoice Cloud for Payment Processing and Payment Website

Presentation to Citizen Advisory Committee Members Joe Pope Director, Water and Sanitation Department County of Ventura Public Works Agency

May 1, 2020

# Why the Change?

| Invoice Cloud  | <b>Current Payment Processors</b>  |
|--|--|
| <ul> <li>Compatibility</li> <li>2 preferred vendors</li> <li>improved functionality</li> <li>Better support from the utility provider, CIS Infinity</li> </ul> | <ul> <li>3 payment processing vendor for the website</li> <li>JetPay, the current vendor is not a CIS Infinity preferred vendor</li> </ul> |
| Compliance to Visa Convenience Rule  | <ul> <li>Web payments must have a flat fixed fee<br/>regardless of he payment amount</li> </ul>  |
| Communication  | <ul><li>Increase paperless billing enrollment</li><li>Reduce inbound calls</li></ul>   |
| Customer Adoption to Self-Service – Goal to Increase online payments 15%   | <ul><li>16% of our payment are online</li><li>More payment options</li></ul>   |

# Security and Information Technology

|                   | Invoice Cloud  | Jetpay   |
|-------------------|--|--|
| Security          | PCI Level 1 Compliant Additional compliance with NACHA, PII, DEM, etc.   | PCI Level 1 Compliant Data encryption  |
| Website Updates   | Real-time update rollouts; fast implementation                           | Updates must be tested by staff; updates often take a long time to implement |
| Marketing Support | Free Go-Live and continued marketing support to ensure customer adoption | None   |

## **Convenience Fees**

| ONLINE & PHONE PAYMENT FEE SCHEDULE              | FEE POSTED<br>10/6/2017             | DESCRIPTION OF FEE   | FEE POSTED<br>7/1/2020 |
|--|-------------------------------------|--|------------------------|
| Credit Card Convenience<br>Fee (Online or Phone) | 2.15% of total or minimum of \$1.00 | Customer pays fee to cover costs set by payment processor for credit card or debt card transaction. *Limit 500.00 per transaction. | \$3.50                 |
| Electronic Check Fee                             | \$0.50                              | Fee charged by payment processor to pay with an electronic check. *Fee for first 6 months, then change to \$0.75                   | \$0.50                 |
| Credit Card Charge-Backs<br>Fee                  | \$20.00                             | Fee charged by payment processor to cover costs of cancelling a payment.   | \$15.00                |
| Electronic Check Return Fee                      | \$25.00                             | Fee charged by payment processor for NSF check returns.  | \$10.00                |
| Credits  | \$1.75                              | Fee charged by payment processor to cover costs of cancelling a payment.   | \$0.00                 |
| Non-NSF Check Returns Fee                        | \$1.75                              | Fee charged by payment processor for NSF check returns.  | \$0.00                 |

### Major Components Considered in Service Rate Calculation

- Direct Labor Cost Base Rate
- Fringe Benefits Rate
- Department Overhead Rate
- PWA Central Service ISF Charges Agency Overhead Rate
- Indirect Cost Plan Charges County Overhead Rate

### **Other Components that Affect Service Rate**

- Prior Year Retained Earning
- Minimum Cash Flow Requirement

| Equipment Maintenance Contract and   | \$12.5                    | \$16.8                      | \$4.3   | 34%    |
| Furniture & Fixtures                 | \$41.0                    | \$32.0                      | (\$9.0) | -22%   |
| ** Office Expense                    | \$35.6                    | \$36.9                      | \$1.3   | 4%     |
| ** Other Office Expense              | \$110.7                   | \$105.4                     | (\$5.3) | -5%    |
| ** Printing/Mail/Purchasing/Misc ISF | \$29.6                    | \$32.7                      | \$3.1   | 10%    |
| ** Specialized Outside Services      | \$67.0                    | \$66.5                      | (\$0.5) | -1%    |
| ** Transportation Expense            | \$576.6                   | \$643.6                     | \$67.0  | 12%    |
| Grand Total                          | \$1,316.2                 | \$1,400.6                   | \$84.4  | 6%     |

FY21 Budget for Service and Supplies is higher by \$84.4K (6%) increase from FY20.

\*\* Rates provided in full or partially by others - not set by WSD

May 19, 2020 Slide 6

#### **PWA Central Service ISF Charges**

| _                                  | FY20    | FY21      |         |        |
|------------------------------------|---------|-----------|---------|--------|
| <b>▼</b>                           | Adopted | Requested | Var(\$) | Var(%) |
| Mgnt and Administrative Allocation | \$397.2 | \$466.0   | \$68.8  | 17%    |
| Grand Total                        | \$397.2 | \$466.0   | \$68.8  | 17%    |

- CSD budgeted charges to W&S ISF is \$69K or 17% higher than prior year.
- Increases to due to lower fund balance to apply to allocation and moving towards the 60 day reserve fund balance requirement for 4411 ISF.
- Planned hiring of strategic consultant to overview PWA processes, and increase in salaries and benefits due to COLA, MBA, flex benefit three tiers increase instead of one-tier increase as in FY20, and new hires hired at step higher than budgeted in FY20.

#### **Indirect Cost Allocation Plan Charges**

|                     | - | Adopted<br>Budget | Requested<br>Budget | Var(\$) | Var(%) |
|---------------------|---|-------------------|---------------------|---------|--------|
| CountyWide Overhead |   | \$138.0           | \$133.9             | (\$4.1) | -3%    |
| Grand Total         |   | \$138.0           | \$133.9             | (\$4.1) | -3%    |

- Indirect Cost Allocation Charges are Ventura County Administrative Service Charges. These administrative services are provided by County Counsel, Auditor Controller, County Human Resources and CEO.
- Indirect Cost is spread agency-wide to all departments receiving such services.
- For Fiscal Year 20-21 Water and Sanitation Indirect Recovery Cost allocation amounted to \$134K 4.1k less than prior year.

May 19, 2020 Slide 7

## Other Components that Affect Service Rates:

#### **Prior Year Retained Earning**

- Projected Ending Fund Balance is \$124K.
- Projected Net Adjusted Retained Earning ending FY19-20 is factored in Department Overhead Rate

#### Minimum Rate Stabilization Reserve

- The minimum that's set aside as reserved is 1 month of total budgeted service and supplies expenditures-\$834.6K.
- Calculated net reserve reduces the Net Adjusted Retained Earning that impacts Department Overhead Rate.

### Cost Not Included in Service Rate Calculation

- Water & Sanitation Department Cost Directly Allocated to Water and Sanitation Service Units:
  - a. Collection and Billing Services (#2191) \$30.3K
  - b. Utility Billing System Maintenance (#2102) \$220.2K
  - c. Computer Software (#4701) \$82.9K
  - d. Building Improvements (#4111) \$120K
  - e. Liability and General Insurance -\$32.8K

Waterworks Districts

# Ventura County Waterworks District No. 19 Somis Water Services Rate Adjustments Scenarios

### **Scenarios**

| Scenario | Groundwater<br>Pumping | Capital Projects                                   | % Increase<br>FY 21, 22, 23 |
|----------|------------------------|--|-----------------------------|
| 1a       | 1,844 AF / Year        | Well 2, 538 Reservoir/Pipes,<br>CalTrans ROW Pipes | 4% per year                 |
| 1b       | 1,844 AF / Year        | Well 2 Only  | 4% per year                 |
| 2a       | 2,000 AF / Year        | Well 2, 538 Reservoir/Pipes,<br>CalTrans ROW Pipes | 4% per year                 |
| 2b       | 2,000 AF / Year        | Well 2 Only  | 4% per year                 |

Scenario 1 assumes groundwater pumping allocation remains at current level.

Scenario 2 assumes Las Posas Adjudication settlement approved, allowing increase in pumping allocation to approximately 2,000 AF per year.

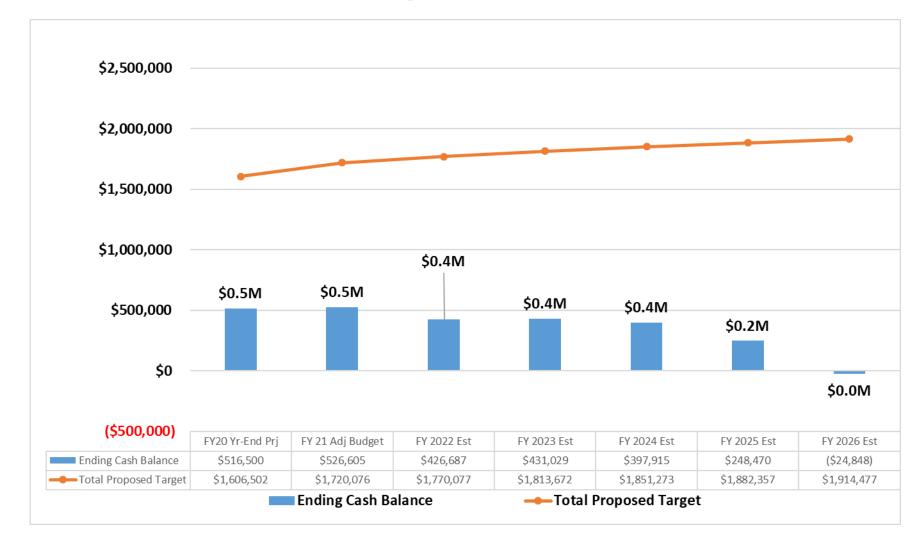

Scenarios 1b and 2b defer all other capital projects indefinitely, except Well 2

## Scenario 1a – All Projects / 1,844 AF / 4%

## Scenario 1b – Well 2 Only / 1,844 AF / 4%

## Scenario 2a – All Projects / 2,000 AF / 4%

# Scenario 2b – Well 2 Only / 2,000 AF / 4%
