(make sure to get a number of pounds)
Camarillo Community Church	805-482-2657	1322 Las Posas Rd	Camarillo 93010	They recover from USDA weekly. They also pick up about 4K lbs. from Food Share twice a month and receive 1200 pounds from other donations. In total they estimated 10K lbs. but have seen a decrease and would like to increase their pounds received.	Need food, they have plenty of volunteers and supplies.	no	Unable to provide pounds, but needs more donations as their pantry would like to expand to secondary distributions

Rescue Mission Alliance (Food Bank) & Ventura County Rescue Mission	805-487-1234 (805)436-4602 *	315 N A St. / Ventura County Rescue Mission 234 E. 6th St.	Oxnard 93030	6 month average is 238,000 pounds per month for perishables, average for dry goods is 39, 204 pounds and for canned goods is 87, 785 pounds. Total for last 6 months was 364, 609 pounds.	Adding another vehicle- we are looking into purchasing a refrigerated Sprinter Van that has the ability to get into tighter areas like strip malls, responds quickly, and has better capacity/ more drivers who would be willing to drive this over a large truck. A Sprinter van can hold 3 pallets of produce for example.	We are currently looking to put another site in Palmdale. We need to look at affordability, how much to invest, etc. Community acceptance is also a factor. We don't do direct distribution to pantries.	We have a 15,000 sq foot warehouse and if we had more capacity we could take on a 1/3rd more food, but for perishables we would need to expand our refrigeration. We have refrigerated trucks in standby mode to refrigerate food overnight. We always have space for more non-perishables. We are looking into expanding in Antelope Valley because they have far less resources and we would be able to give more food.
Community Action	805-436-4000 - 805-816-5832	621 Richmond Ave	Oxnard 93030	50-60K pounds per month.	More refrigeration, carts to haul, they are looking at buying conveyor belts for distributions for volunteer safety purposes, as well as utility carts.	Looking to expand cold storage capacity	With current capacity they could take an additional 10-15K pounds dry goods and about 5k-7k lbs of refrigerated items. Limited on cold storage.
Bread of Life -- All Saints Episcopal Church	805-483-2347 805-320-0997	144 S C St.	Oxnard 93030	every week they go to foodshare and pick up whatever they can, unsure of pounds	No	no	Cannot receive more donations with current capacity, attempted to onboard more donors and was unable to handle influx of product.
VP Rescue Mission alliance	805-487-1234 ext 4	234 E 6th St	Oxnard 93030	1K - 5K/month	Expansion of food donations would be decided by their board of directors, expansion to the building is not possible. While they are making due with their current cold storage, their freezer is too small for their operations. Food waste due to lack of space.	Current location does not have any room to grow. Other missions are looking to expand.	Capacity dependent on food type, proteins always accepted but limited capacity. Cannot pick up additional donations currently.
