

On April 26, 2022, the Board of Ventura County Waterworks District No. 1 (District) passed a resolution that authorized the pass-through of wholesale water rate increases from Calleguas Municipal Water District (Calleguas) to the District’s customers for up to five years. Pursuant to Government Code 53756, the pass-through adjustment of Calleguas’ rates requires notification to customers not less than 30 days before the effective date. On July 6, 2022, the Calleguas Board of Directors approved a combined wholesale potable water rate increase of 4.5%, effective January 1, 2023. As a result of the approved Calleguas rate increase, the District’s customers are hereby notified that the variable commodity charges and fixed meter charges for potable water will increase by 4.5% effective January 1, 2023. The new rates and meter charges are shown in the table below:
