

**Project Name: Santa Clara River Levee Downstream of UPRR (SCR-3) - Phase 2**  
**Spec. No. WP25-05**  
**Abstract of Bids opened on: October 3, 2024**

**ENGINEER'S ESTIMATE: 23,499,584.00**

LOW BIDDER - 22,728,200.00  
GMZ Engineering, nc.  
Westlake Village, CA 91362

2nd Bidder - 29,381,723.00  
Granite Construction Company  
Ventura, CA 90638

The undersigned certifies that the bids abstracted above were received on behalf of the Board of Supervisors, 'County of Ventura at the time and place designated in the Notice Inviting Bids; were publicly opened and read; and were checked.

Director, Engineering Services Department

Public Contract Code Section 4104 provides that bidders must list:

- (a)(1) The name, the location of the place of business, and the California contractor license number of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or improvement, or a subcontractor licensed by the State of California who, under subcontract to the prime contractor, specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of 1 percent of the prime contractor's total bid or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the prime contractor's total bid or ten thousand dollars (\$10,000), whichever is greater.
- (b) The portion of the work that will be done by each subcontractor under this act. The prime contractor shall list only one subcontractor for each portion as is defined by the prime contractor in his or her bid.
